Sarah:

We do not have copies of the following letters, which were referenced in the Proposed Plan:

- 1) 02/06/14 letter from the United States Army corps of Engineers (USACE);
- 2) Recent letter - the Federal Trustees Urged EPA not to consider alternatives that include disposal of contaminated sediments into the waters of Newark Bay;
- 3) 11/30/12 letter from USACE. The USACE believes that CAD cells can be constructed to and utilized with only localized short-term impacts and with the least impacts to the surrounding communities...;
- 4) 03/10/13 letter from B. Martin (NJDEP) to G. McCarthy (USEPA)

If you have electronic copies handy, can you please forward? Please let me know if you need a FOIA request.

Thank you.
